

# Spiritual Warrior

---

I'm gett'n up, stepp'n up, takin' a stand

Call it what you will I can see I can feel, the inevitable invisible Spiritual, battle at hand

When Jesus Christ left this earth, He said, "I leave you My name."

(whew).. that says it all Man! I got this game.

Spirit of doubt, I cast you out! Cast you out of my heart, I cast you out of my life

(weighing me down, causing me strife)

Don't think there's an exception for the spirit of deception, I'm through with you!!

Spirit of destruction...(yer huge) In the name of Jesus ya'll got to go!

You can't influence my Life no'mo!

Distraction, despondency, diss-ease, denial! Consider **this** your trial!!!

God's the one True judge, Jesus and His apostles are thy jury

May you 7 spirits see God's just fury. Knee bent head bowed far from proud.

Father, please send the Spirit of Understanding, the Spirit of Truth, the Spirit of Faith, and The Spirit of Restoration.

Father please Bless this piece, with True Peace...For All Nations

**\*\*True Peace is not the absence of war. True Peace is the Presence of God!\*\***

Thank you Jesus! I Love you Man!
